The **Insured** and/or **Insured Person** shall co-operate with **Us** and, upon **Our** request, assist in making settlements, in the conduct of suits and in enforcing the right of contribution or indemnity against any person or organisation who may be liable to the **Insured** because of **Injury** or damage with respect to which insurance is afforded under this **Policy**. In that regard, the **Insured** and/or **Insured Person** shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The **Insured** and/or **Insured Person** shall not, except at their own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

### Cancellation of the Policy

The **Insured** may cancel the **Policy** at any time by notifying **Us** in writing. The cancellation will take effect at 4.01pm Australian Eastern Standard Time on the date **We** receive written cancellation. **We** shall retain a pro-rata proportion of the premium for the time the **Policy** has been in force and refund the balance to the Insured.

However, **We** will not refund any premium if it has paid a benefit under the **Insured's Policy**.

**We** may cancel this **Policy** in any of the relevant circumstances set out in the Insurance Contracts Act 1984 (as amended), such cancellation to take effect within sixty (60) days from the time of notification received by the Insured.

# Claims

## Notice of claim

The Insured or **Insured Person** entitled to claim under this **Policy** must give **Us** written notice of any occurrence which is likely to give rise to a claim within thirty (30) days or as soon as is reasonably practicable after the date of the occurrence. The Insured or the **Insured Person** must at their expense give **Us** such certificates, information and other documentation as it may reasonable require. **We** may at our own expense have any **Insured Person**, who is the subject of a claim under this **Policy**, medically examined from time to time.

## Claims offset

Except for **Events** 1 to 21 inclusive, there is no cover under this **Policy** for any loss, damage, liability, event or **Injury** which is covered under any other insurance policy, health or medical scheme or Act of Parliament or is payable by any other source. **We** will however pay the difference between what is payable under the other insurance policy, health or medical scheme or Act of Parliament or such other source and what the Insured or the **Insured Person** would be otherwise entitled to recover under the **Policy**, where permissible under Law.

## Time of the Payment of Claim

Benefits payable under the Policy for any loss will be paid immediately upon receipt of due written proof of loss, subject to the conditions and definitions contained within this Policy.
