

VMIA Portal

How do I log in to the VMIA portal?

vmia.vic.gov.au

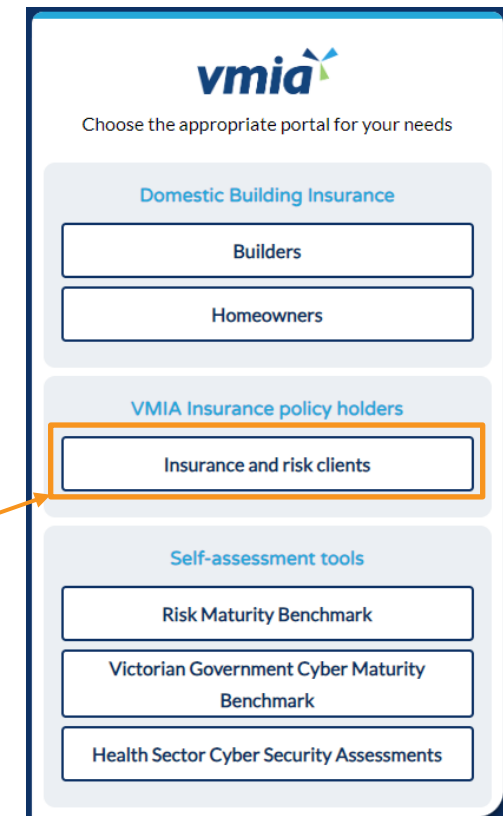

How do I log in to the VMIA portal?

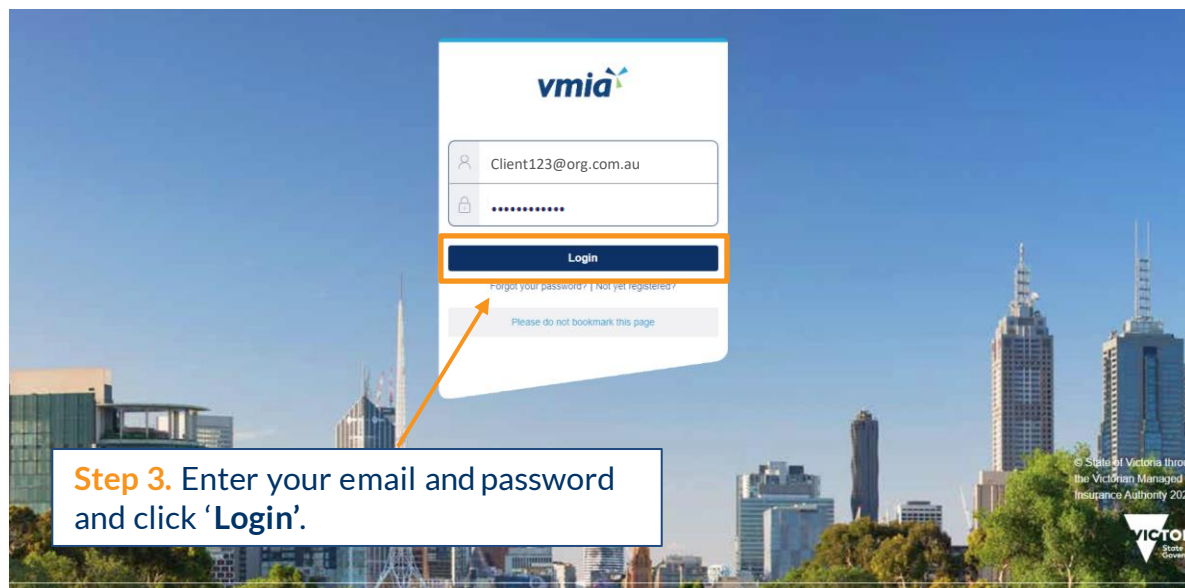

Step 2. Click on 'Insurance and risk clients' to navigate to the portal login page.

Note: Alternatively, copy and paste the following URL into your browser to access the VMIA portal login page: <https://portal.vmia.vic.gov.au>.

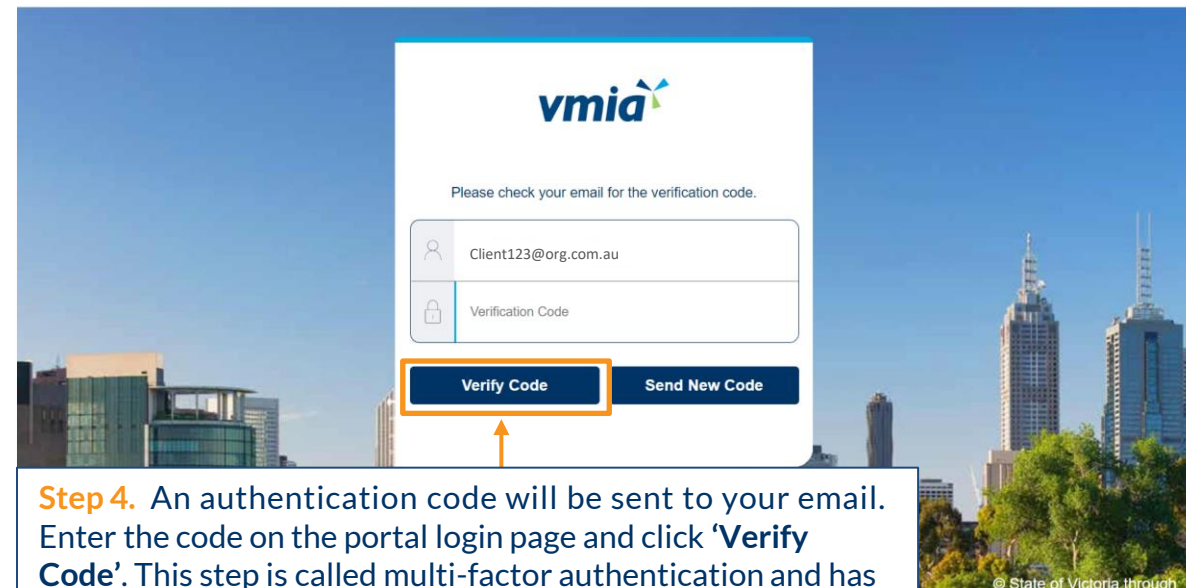

How do I log in to the VMIA portal?

Step 3. Enter your email and password and click 'Login'.

Note: Do not save a bookmark of the portal login page on your computer as this may cause issues when you attempt to access the site at a later stage.

Step 4. An authentication code will be sent to your email. Enter the code on the portal login page and click 'Verify Code'. This step is called multi-factor authentication and has been introduced to enhance the security of the VMIA portal.

Note: If you do not receive an email containing the authentication code within 5 minutes, check your Spam/Junk folder for an email from noreply@vmia.vic.gov.au. Additionally, check if your IT team have a security policy in place that may have blocked the email. Provide them with the email address above so they can include it in the allowed list.
